It is the mark of a Rotarian not to seek recognition or reward for the work we do and the contributions we make to the communities we endeavor to help. However, each year, Rotary does award stellar clubs for the service they provide and the accomplishments they achieve.

This special edition newsletter was not created to seek recognition or reward, but to celebrate the success of the club and its projects. It is to applaud each and every member for contributing to the world we live in, and for creating immediate impact to our adopted communities.

In this issue we celebrate each other as we happily and humbly accept the awards that I feel are very well deserved by all the members of this club.

# MESSAGE FROM THE PRESIDENT CELEBRATING THE CLUB'S CONTINUED EXCELLENCE

JOSE MARI L. YUPANGCO  
Club President, RY 2023-24

Greetings of Celebration!

Every end of a Rotary Year (RY) in June, we witness the beginning of a change of guard in a Rotary Club. During this time, a new administration takes over the club, and as RI President Gordon McInally urges, “to continue the work of past leaders.” But a RY will not be complete without *The Rotary District Awards*, an occasion to give recognition to the most outstanding achievements of a club and its leaders.

Last October 23, 2023, The Rotary District Awards, A Celebration of Marvelous Achievements, was held at the Hilton Manila in Pasay City. By the end of the evening, the Rotary Club of Makati Premier District (RCMPD) garnered 27 awards, one of the most numerous awards in our district! A supplemental distinction of being a Blue Diamond Awardee, the highest of four levels, made it more special to a very young club of 6 years.

Kudos to our Past Presidents (PPs) for building a solid foundation for our club from previous years. Of course, congratulations to our Immediate Past President (IPP) Leah Quesada for steering the club for RY 22-23, including its Board of Directors, the Committee Chairpersons and its members, the club members, our sister clubs, and community partners.

We are thrilled to witness how our hard work has paid off with all the accolades given to our club.

We thank you for the joy and usual support you bring to us. Together, we will create hope in the world!

With deep gratitude,

A handwritten signature in black ink, appearing to read 'M. Yupangco', written in a cursive style.

# The Year an Accidental Rotarian Became President

I am an accidental Rotarian. I was not looking for Rotary, but Rotary found me.

Having lived in the United States for over four decades since I was a teenager, the Philippines was a place I always referred to in the past tense. "I was born in the Philippines." "I once lived in the Philippines."

The Philippines is also close to my heart, where I am rooted and called to give back.

Five years ago, unbeknownst to me, the opportunity came when my friends invited me to join the RC Makati Premier District. I responded, "Me? I live 12,000 km away. What could I possibly contribute?"

Fast forward. In RY2022-23, I became Club President.

Our collective efforts have yielded significant results:

- **We increased membership by 34%.** We created a new club - Rotary Satellite Club of Makati Premier District, Next Gen. We received recognition for being on Zone 10A's Top 10 RCs to increase membership!

BY LEAH QUESADA  
RY 2022-23 CLUB PRESIDENT

- **Our 5th global grant**, "Wellness and Outpatient Service on Wheels (WOW) Mobile Clinic for TB and Cardiac Diseases Screening was approved! This US\$75K project will launch in January 2024.
- **We implemented our most expansive health outreach** with over 1,100 registered patients and 220 volunteers. The consequences are immense in elevating the awareness of the importance of yearly medical check-ups.
- **It was a record year for TRF donations!** Our number of Paul Harris Fellows has increased by 120% and Paul Harris Society members increased by 50%.
- **We forged international collaborations** with two new international sister clubs, RC Greater Kuala Lumpur (Malaysia) and RC Honolulu Sunset (US), already yielding several joint projects.

I was an accidental Rotarian. I was not looking for Rotary, but Rotary found me. And I am glad she did. Rotary has brought me closer to my home, the Philippines. And it feels good!
